

GET ON THE FAST TRACK. TOGETHER. SHAPING THE FUTURE.

TIPS for Child Care Institute, offer the most trendy and knowledgeable child care instruction, theory in practice strategies, Praxis based with incorporated theory in practice strategies and training technologies. Allowing learners to take pride and have confidence you are getting the best based on industry standards through online training and local training parties.

It's easy, we offer child development instruction for providers anywhere in the world! Providers can now join local CDA Overviews, earn hours and get hands on support in their community through the Fast Track Tour designed to help EHS CCP Programs meet their new hire teacher criteria's as outlined in 101: Early Head Start-Child Care Partnerships.

TIPS for Child Care Institute has EHS CCP Designated Trainers available to support time sensitive needs of grantees to both hire and provide high quality instruction to new hires and CDA Candidates.

Our trainers will be scheduling in your local communities to provide instruction that lead to successful outcomes.

Benefits of the JumpStart CDA Support Program to participant include:

- 120 Clock Hours meeting CDA Criteria
- EHS CCP Orientation

- Understanding Industry Standards
- Demonstration Support
- Portfolio Support
- Test Prep
- On-Going Live Webinars with Designated Trainer After Overview
- Day 1 Implementation tools supporting Creative Curriculum and PITC
- On Site Visit with Coaching Points

Benefits to Early Head Start-Child Care Partnership and Early Head Start Expansion Grantees:

- Designated Trainers are currently being scheduled in EHS CCP Grantee communities to help minimize your time as a grantee in concerning yourself with this process and center downtime for new hires.
- Aid in a financial Peace of Mind - TIPS for Child Care Institute supports teachers through completion (average participant completes from start to finish 12 Weeks)
- Support EHS CCP Directors in coordinating events, provide participant progress, and on-going recommendations to support Candidate Success
- Providers are stated to be prepared to execute Creative Curriculum, have understanding of ECE foundation and readiness to implement PITC, and display professionalism of the NAEYC Code of Ethics.
- Seamless to most grantees as EHS CCP directors can pay for their providers with systems set up for reimbursement directly from the local grantee.
